BLUE MOUNTAIN DISTRIBUTION SYSTEM

ANNUAL MEETING

APRIL 13, 1992

WATER RIGHTS
GALT LAKE

The annual meeting of the Blue Mountain Distribution System was called to order at 8:05 p.m. Mark Page, Regional Engineer from the Division of Water Rights conducted the meeting.

Rick Wilde read the minutes of the 1991 annual meeting. There were no additions or corrections. A motion was made by Ernest Sonderegger and seconded by Don Barton to accept the minutes as read.

The financial statement for 1991 was discussed. As of January 1, 1991, there was \$678.18 in the Trust Account. Interest accrued during the year amounted to \$33.96. The balance as of December 31, 1991 was \$712.14. There were no receipts or expenditures during 1991. A motion was made by Ernest Sonderegger, and seconded by Don Baron to accept the financial statement. The vote was unanimous.

Mark Page then read a brief report from Max Dalton concerning the water diverted during the 1991 irrigation season. He stated that approximately 200 acre feet of water run into Lloyd's Lake during April, May and June. North Creek ran between 3.0 and 6.5 second feet from May 15 to June 20, 1991. This water was split with the Carlisle users. He noted that Monticello did receive 2.50 inches of rain from September 6 through 8, 1991.

A note of interest, the Camp Jackson Snotel Station as of April 13, 1992 reported 171% of average. It is anticipated that Lloyd's Lake should fill this year. Those attending the meeting indicated that the snow pack on the east side of the Blue Mountains was around 90% of average. A better water year is anticipated.

Mark Page suggested setting the budget the same as in 1991 with no assessments to be made, with the provision that if it is needed, it could be assessed. A motion was made by Max Dalton and seconded by Gary Halls to set the budget at \$400.00. The motion passed unanimously.

A motion was made by Don Barton to reappoint the same distribution committee as in 1991. Leon Adams also made a motion that they add Ernest Sonderegger to represent the Pioneer Ditch. A second was made by Gary Halls and the motions passed. The members of the 1992 distribution committee are as follows:
